I am informed that on November 17, 1955, you were involved in an automobile accident with a car belonging to this Agency and driven by an employee thereof in connection with the official business of the government.

From the information available to me, it would appear that liability for the damage to the Agency vehicle attaches to you in that you appear accidentally to have collided with the Agency vehicle while it was parked at the curb and you were attempting to park your own car behind it. Enclosed are two estimates of the costs of the necessary repairs to the Agency vehicle made respectively by the Arlington Motor Company and Stohlman Chevrolet, Inc. These are in the amounts of \$35.10 and \$32.72.

If you are in substantial agreement with the conclusions which I have stated above, I should appreciate your remittance to this office by return mail of a check in the amount of \$32.72, payable to the Treasurer of the United States. In any event, I should like to hear from you concerning this matter.

Very truly yours,
